**Notice Valid from September 29<sup>th</sup> – October 12<sup>th</sup>, 2022**

**HAIL OUT PROCEDURES:** **Fishers are required to hail out for each trip.** "Hailing out" is when a Five Nations skipper communicates that they are heading out into a Five Nations fishery to our monitoring company, Ecotrust Canada. Hail outs can be made up to 12 hours before leaving the dock. Landings will not be authorized if you do not hail out. **Hail outs to our Facebook page, left on our office phone line, or sent to our Fisheries Coordinators, will not be accepted.** Hail outs can be made 24 hours/day using our website ([www.taaq.ca](http://www.taaq.ca)) or by calling the hail phone:

**Phone (call/text/voicemail): 250-266-0418**

**LANDING / HAIL IN PROCEDURES:** Fishers **MUST HAIL IN** to 250-266-0418 to confirm a landing time at least **24hrs in ADVANCE** of landing to arrange for a designated monitor to be present at your landing. Please understand that the monitors need time to arrange this. The hail phone is monitored seven days a week, 7am – 7pm.

A designated Ecotrust monitor must be present at all landings. An Ecotrust monitor will validate your catch, collect fishing logs, and provide you with a landing slip. Twenty percent of landings will also be CWT sampled by Ecotrust monitors in Tofino or J.O. Thomas monitors in Zeballos.

Landings can occur only at the designated landing sites outlined below:

Tofino	4 <sup>th</sup> Street Dock	Buyers need to be pre-arranged by the fisher before landing.
	Lions Gate Fisheries	Buyers need to be pre-arranged by the fisher before landing.
Zeballos	Formerly 'Mid Island Ice'	<b>NOT OPEN FOR LANDINGS</b>
Gold River	Gold River Dock/Ahminaquis Boat Launch	Buyers need to be pre-arranged by the fisher before landing.

**FISHING LOGS:** Fishers must fill out a Fishing Log on a daily basis (one page per fishing day), recording all kept **AND** released fish. This fishing log must be submitted to the Ecotrust monitor at the time of landing.

**PACKING FISH:** Packing, or landing catch for another vessel, is only authorized in cases where the combined catch onboard the vessel does not exceed the trip limit. If the catch does exceed the trip limit, written authorization from your fisheries manager will be required. The packer must produce a signed fishing log (completed by the fisher) for the catch.

**Off-Shore Cuwit Fishery: Updated September 29<sup>th</sup>, 2022**  
**Notice Valid from September 29<sup>th</sup> – October 12<sup>th</sup>, 2022**

**MONITORING**

- 100% of landings and catch must be monitored by a designated monitor prior to sale. A landing slip is required before any fish can be sold.
- Fishers must provide Ecotrust monitors access to their catch for validation and CWT sampling. In Zeballos, CWT sampling will be performed by J.O. Thomas.
- All halibut being sold will be tagged with a white **HA'OOM tag** prior to sale to support traceability and accountability of Five Nations fish and to mark it as unique in the marketplace.
- Home use fish may be offloaded prior to landing at the designated landing site if your fisheries manager verifies the catch and provides you with an offload record to be provided to the Ecotrust monitor at the time of landing.
- Your Nations' Guardians and DFO will be doing on-water patrols.

**COVID-19 LANDING PROCEDURES**

Please refer to the COVID-19 notices posted at the landing sites for landing procedures.

**FISHER REQUIREMENTS**

- Fishers are required to secure their own ice (salted) and ensure that their fish are delivered dressed and properly chilled. Failure to do so may affect the price received and/or the ability to sell their catch.
- Fishers are required to adhere to the conditions and restrictions defined in the T'aaq-wiihak Requirements & Responsibilities Agreement with their Ha'wiih.
- Fishers are required to ensure their vessels comply with Transport Canada, CFIA, and WorkSafeBC regulations.

**BUYERS:**

It is the business of each fisher who they sell to and at what price. There will not be buyers present for evening offloads during the winter fishery. **Please see the website for a list of buyer contacts.**
